

CASWELL JONES DIVERSITY STATISTICS – 2022

ABOUT US

Caswell Jones is a small firm established in 1989. The firm believes strongly in client care and although it considers itself professional and efficient, the firm realises that in order to compete in today's market it needs to improve its services to the client. The firm offers a friendly service with direct Fee Earner contact and concentration on client care, based on a fast response service and provision of information.

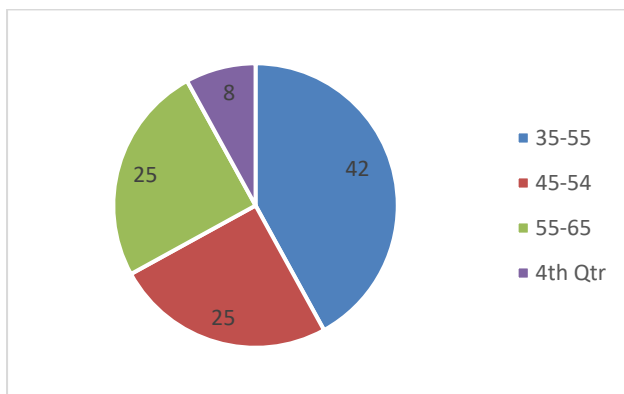

The firm is aware of the environment and has developed services to meet the needs of our clients and the local community. The firm takes into account diverse needs and does not discriminate and will make reasonable adjustments for disabled clients as appropriate.

The firm is an equal opportunities employer and is committed to a recruitment policy that will ensure that candidates are selected on merit and in accordance with statutory requirements of the Equality Act 2010.

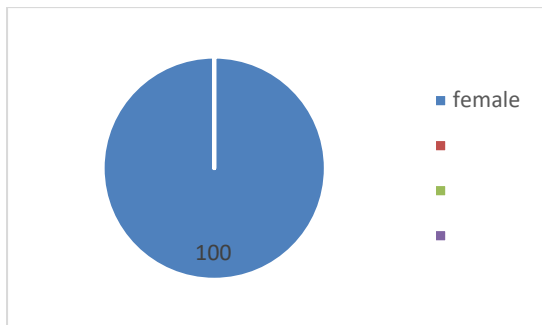

Our employees are asked to complete a survey so that we can monitor and report on the diversity within our workforce.

The most recent survey was completed by 57% of our staff and these are the results. This is the result
